

## Diagnostic Lab GCWUF– Sample Rate List

| Sr # | Test Name                        | Sample Type  | Turnaround Time | Price (PKR) |
|------|----------------------------------|--------------|-----------------|-------------|
| 1    | Complete Blood Count (CBC)       | Blood (EDTA) | Same day        | 300         |
| 2    | Hemoglobin (Hb%)                 | Blood        | Same day        | 300         |
| 3    | Platelets Count                  | Blood        | Same day        | 300         |
| 4    | White Blood Cell Count           | Blood        | Same day        | 300         |
| 5    | Red Blood Cell Count             | Blood        | Same day        | 300         |
| 6    | Blood Group                      | Blood        | Same day        | 90          |
| 7    | Fasting Blood Sugar (FBS)        | Blood        | Same day        | 60          |
| 8    | Random Blood Sugar (RBS)         | Blood        | Same day        | 60          |
| 9    | C-Reactive Proteins (CRP)        | Serum        | 1 day           | 90          |
| 10   | Urea                             | Serum        | 1 day           | 95          |
| 11   | Uric Acid                        | Serum        | 1 day           | 90          |
| 12   | Creatinine                       | Serum        | 1 day           | 90          |
| 13   | Alanine Aminotransferase (ALT)   | Serum        | 1 day           | 90          |
| 14   | Aspartate Aminotransferase (AST) | Serum        | 1 day           | 90          |
| 15   | Albumin                          | Serum        | 1 day           | 90          |
| 16   | Globulin                         | Serum        | 1 day           | 90          |
| 17   | Bilirubin                        | Serum        | 1 day           | 90          |
| 18   | Total Protein                    | Serum        | 1 day           | 90          |
| 19   | Serum A/G Ratio                  | Urine        | 1 day           | -           |
| 20   | Gamma Glutamyl Transferase (GGT) | Urine        | 1 day           | 90          |
| 21   | Alkaline Phosphatase (ALKP)      | Stool        | 1day            | 90          |
| 22   | High Density Lipoprotein (HDL)   | Serum        | 1day            | 90          |
| 23   | Low Density Lipoprotein (LDL)    | Serum        | 1day            | 90          |
| 24   | Triglycerides                    | Serum        | 1day            | 90          |
| 25   | Cholesterol                      | Serum        | 1day            | 90          |
| 26   | VLDL                             | Serum        | 1day            | -           |
| 27   | Hepatitis C Virus Screening      | Serum        | 1day            | 50          |
| 28   | Hepatitis B virus Screening      | Serum        | 1day            | 50          |
| 29   | HIV Virus Screening              | Serum        | 1 day           | 80          |
| 30   | Syphilis Virus Screening         | Serum        | 1 day           | 90          |
| 31   | Stool H Pylori Antigen Screening | Stool        | 1 day           | 100         |
| 32   | Stool Occult Blood               | Stool        | 1 day           | 100         |

| <b>Sr #</b> | <b>Test Name</b>          | <b>Sample Type</b> | <b>Turnaround Time</b> | <b>Price (PKR)</b> |
|-------------|---------------------------|--------------------|------------------------|--------------------|
| 33          | Typhoid Screening         | Serum              | 1 day                  | 90                 |
| 34          | Urine Routine Examination | Urine              | 1 day                  | 100                |
| 35          | Urine for Ketones         | Urine              | 1 day                  | 100                |
| 36          | Stool Routine Examination | Stool              | 1 day                  | 100                |
